

Fast track your career into management

Join our Future Operational Leaders Program

This three year rotational program will enable you to be part of a dynamic environment and to enhance your skills in operational management within RailCorp's Service Delivery Group (Operations).

If you are interested in making a difference, then this innovative development program is for you. We are seeking recent graduates who have a minimum of twelve months work experience in a supervisory capacity (part time or full time), think creatively and are interested in a career within transport management.

A degree in operations management or transports/logistics is desirable however applicants are also welcome from other business related degrees.

As part of your career development you will be sponsored to undertake postgraduate study with a focus on transport or public sector management.

Visit our website at www.railcorp.info/careers and follow the link for Future Operational Leaders to view information on this program and apply online.

Closing date: 12pm Friday 29 February 2008

To be considered for these roles you must be eligible to work in Australia. Applicants will need to complete merit based selection activities and will be subject to satisfactory medical, drug & alcohol and criminal record checks as part of the selection process. RailCorp is an equal opportunity employer. Women are encouraged to apply.
